Description | Editorial reviews

This book is about:

1.) Changing your mindset about money.

2.) Avoiding costly mistakes through moderate risk investments.

3.) Building your legacy.

4.) Collaboration with businesses in your community to empower people through this Financial literacy. Hopefully, the beginning of your own business journey! This book presents a strategy focusing on the culture aspects of youth, exposing the new economic racism upon youth who do not know their inherent worth, created in the image of God. The references made in the literature review examine and inform the financial understanding of cultural economics aspects of being African American in America, more importantly, African American male. It has also helped to develop biblical and theological perspectives that have informed this study. This writer seeks to develop a counter culture to the culture crisis that exists because of unconscious influences of the culture
